

Divorce Workshop

Avoid These Five Mistakes During Your Divorce

Mistake #1 – Getting into a blame cycle – blaming your partner or yourself.

Mistake #2 - Having unrealistic expectations about timing and results of your divorce.

Mistake #3 – Engaging in mind games and reinforcing loops of anger, fear and regret.

Mistake #4 – Assuming there is such a thing as “my money” and “his/her debts.”

Mistake #5 – Wanting to fight and win every single battle.

Join us for a two hour educational workshop that focuses on:

- Collaborative Divorce, a process by which parties use needs-based negotiations to settle their divorce.
- Managing and recovering from your divorce.
- Helping you and your children move beyond the heart ache.
- Minimize your divorce costs.
